Dear Patanjali Yogpeeth members & Yoga teachers,

Yog Rishi Swami Ramdevji's USA SEPT. – OCT. 2013 Program

His Holiness Yog Rishi Swami Ramdevji is visiting the US from Sept. 26 through Oct. 1, 2013 to take part in the 150th Birth anniversary celebrations of Swami Vivekananda in Chicago and New Jersey. He will also commemorate the 120th anniversary of the famous address by Swami Vivekananda at the World Parliament of Religions in Chicago on Sept. 11, 1893.

Swamiji last visited the U.S. in July 2010. Pujya Swamiji is looking forward to meeting all our Patanjali members and yog teachers.

During this period, several programs: 2 one-day Free Yog Shivirs and multiple public addresses of Swamiji have been planned in various cities across U.S., namely, Houston, Chicago, New Jersey, and Atlanta.

Each person desiring to attend the Free Yog Shivar is requested to register individually through our website www.pyptusa.org. We have very limited seats; register early to reserve your space.

I cordially inform and invite all our Patanjali members, teachers and supporters with family and friends to these events.

Thank you

With best wishes and regards,

Yours sincerely,
